OBJECTIVE

Motivated B.Tech Computer Science student specializing in Software Engineering with hands-on experience in Full Stack Development and DevOps. Skilled in building scalable web applications, developing REST APIs, implementing API integration, and designing responsive user interfaces. Experienced in CI/CD pipelines and cloud deployment. Seeking an entry-level role to contribute to real-world projects and grow in a fast-paced tech environment.

TECHNICAL SKILLS

Programming Languages: Java, Python, C
Frontend: HTML, CSS, JavaScript, React.js, Angular
Backend: Spring Boot, Node.js, FastAPI
Databases: MySQL, MongoDB
DevOps & Tools: Git, GitHub, Docker, Linux, CI/CD (GitHub Actions)
Cloud: AWS (EC2, S3), Netlify, Render

PROJECTS

Library Management System

Tech Stack: Spring Boot (Java), MySQL, Angular.js, Postman
Engineered a full-stack system handling 100+ records with optimized database queries
Implemented authentication and CRUD operations
Designed relational database schema for efficient data handling
Live demo: <https://library-management-system-3d9f.onrender.com>

3D Interactive Website

Tech Stack: HTML, CSS, JavaScript
Built an interactive 3D website with smooth scrolling animations
Improved user experience and rendering efficiency
Optimized performance for smooth rendering
Deployed project using Netlify
Live demo: <https://3d-scroll-pollination-website.netlify.app/>

Solar System Explorer

Tech Stack: HTML, CSS, JavaScript
Built an interactive educational web app
Visualized planetary data with animations
Improved user engagement with dynamic UI
Live Demo: <https://explore-solar-systems.netlify.app/>

DEVOPS EXPERIENCE

Implemented CI/CD pipelines using GitHub Actions for automated build and deployment
Containerized applications using Docker for consistent environments
Deployed applications on cloud platforms (Render, Netlify)
Worked with Linux-based systems for server configuration and management

EDUCATION

B.Tech in Computer Science Centurion University of Technology and Management (2023 – 2027)
Higher Secondary (12th Grade - CHSE Board) Mundapatra Higher Secondary School Year of Completion: 2023
Secondary (10th Grade - BSE Board) Saraswati Sishu Mandir, Salipur Year of Completion: 2021

CERTIFICATIONS

Data Structures & Algorithms – GeeksforGeeks
AI & ML Internship (Python) – Internselite (Jun 2025 – Aug 2025)
Secured 95.54 percentile – Naukri Campus Young Turks 2025
Career Edge – Young Professional Program (TCS iON)
